

We say: "Ready. Set. Sell!"

You say: "Why?"

Despite that the first 3 letters are F-U-N, some people feel that fundraisers are not really all that much fun. So why do we do this?

- ✦ 40% of your sales are returned to St. Dennis Home & School Association
- ✦ The money earned pays for fun events like the Fall Back to School Picnic, the Halloween Party, Craft Day, Catholic Schools Week, the Variety Show, Field Day, K and 8th grade graduation, the Middle School Event and the K-5 event.
- ✦ The Home and School Association also contributes money and items which continually improve the educational experience at our school.

Still not impressed? Then, let's get down to the INCENTIVES!

BIG SELLERS INCENTIVE: KALAHARI INDOOR THEME PARK

Any single student turning in 15 orders (or \$250 in sales)

or

All St. Dennis students in a family turning in 25 orders (or \$425 in sales)

by 8:30am on 9/17 can go on a school field trip to the

Indoor Theme Park at the Kalahari on **Tuesday, November 23rd**

Kalahari is also offering us a **great room rate** for families that want to stay after the field trip and **spend the night** to enjoy more of the indoor theme park or check out the water park. They are reserving a block of rooms for us at a room rate of **\$99 for a double queen; \$169 for a 2-room family suite**. These rates are about as low as they ever go! Families would make & pay for their own reservations. Staying overnight would not be school sponsored. Parents would be responsible for paying for their room. The cut-off date is 30 days from the event date (10/24/2010); any rooms not reserved at that time will go back in to general inventory. If a family calls AFTER the deadline & there are still those room styles available, Kalahari will honor the discounted rate.
