

Questions on Pine River snacks?

Hopefully, this will help. Feel free to contact Lora Evans with any questions:
lora.r.evans@gmail.com or 577-9268.

- 1.) Each line item must be in **multiples of 3**:
 - a. Can be three of one item or three different items or any combination that makes the total number of items purchased a multiple of 3 (3, 6, 9, 12, 15, 18...)
 - b. Example, for \$30 Grandma can buy
 - i. 3 Gourmet Carmel Corns to have on hand when the grandkids come to visit
 - ii. 1 Smokey Bacon Snack Spread for her mahjong club
 - iii. 2 Beef Summer Sausages for Grandpa's midnight snack cravings
 - c. If you have customers who only want to buy two items, you could add one of your own items in with theirs to boost it up to 3. Make a copy of your order form and add notes so you know how to deliver.

- 2.) For the **Kalahari Goal**, each **3 items count as 1 order**. So if Grandma orders 6 items on one line, her order counts as 2 credits toward the Kalahari field trip.
 Confused? Call Lora for clarification.

- 3.) The Price is **3 for \$15** or \$5 for each item. The brochure says \$6 for each item but we get a \$1 discount for each item for buying in threes.

- 4.) Your support of the Pine River Products is support for a **Wisconsin company** and all products are **made in the USA**.

- 5.) Remember that for the Pine River Items, you will **pick up on October 5th** and distribute to your buyers.

- 6.) **Checks made payable** to "St. Dennis Home and School" are due when the orders are placed and handed in by 9/17/2010, 8:30 AM.

- 7.) At the top of the **order form**: please put Child's name, and under organization, please list "St. Dennis" and their grade.

**Thanks for all you do to help St. Dennis School with this fundraiser.
Please let Lora know if you have any questions, concerns or suggestions.**
