

Sept. 1, 2010

Dear Third Grade Parents,

Welcome back to a new school year. I am happy to have your children in class this year. As of now our class size is 28. We have 19 boys and 9 girls.

I sent home a snack schedule with your child on Friday, August 27th. I hope that you received it. I know of only one child with an allergy to certain foods. I have already spoken with the mom and he will bring a snack from home on days that he can't eat what we have. If there are any more allergies out there, please let me know.

We are experiencing some hot weather. I am fine with students bringing water bottles to school. I only ask that they have a secure top on them.

We usually do a monthly Scholastic Book Order. It is a huge help if a parent would take over that responsibility. They are not hard to do. You can even phone the order in. Please let me know if you would be willing to help out with this.

We have 18 new desks in our room. It is great to have new desks, but they are very small inside and all our things don't fit in them. Last year some parents went to the Learning Shop on the west side and purchased chair pouches. If you would like to purchase one, I would not mind having them in the classroom again. You just need to be careful of how much you put in them. If you put too many heavy things in them, they can rip.

I check my e-mail each morning when I arrive at school. If you have any questions or concerns please feel free to e-mail me.

Ms. T.
