

January/February 2012

Dear School Families:

Faith. Academics Service. Catholic Schools!

It's that time again! Today in this email is attached all the information you need to have a wonderful, fun- and faith-filled Catholic Schools Week! Catholic Schools Week begins Sunday, January 29 and goes through Friday, February 3 (with a kickoff Friday, Jan. 27 ~ Teacher Appreciation Night!).

We know we have provided a lot of information, but please take a moment to look over each document and please print those needed and/or refer to it later, as this is the one week out of the year when every day is a celebration of our Catholic school education. We have plenty of activities and special events planned and we hope your children find each day special.

Parents, grandparents, other family members...we start the week cordially inviting you to join us for 9 a.m. mass on Sunday, Jan. 29! Please know you are invited to join us for all the week's activities. Come celebrate with us! We'd love to see you!

Our hope is this week will celebrate our school, our students, their families and our faith, knowing there are others across the United States doing the very same thing this week (although we think they don't have nearly as much fun as we do)!

Please review the itinerary posted today for each day's dress, activities, forms needed, etc. A checklist is provided in the packet to help. Remember, if you have a child or children in grades 5K-8 you MUST return permission slips in order for them to participate in Friday's activities.

We wish all of you an awesome Catholic Schools Week experience.
