Heritage Day

St. Dennis Heritage Day is our annual celebration of our school's diverse global ancestry and culture. The goal of this day is to make people aware about the cultural heritages of our students and its preservation. Families interested are asked to sign up for a table to present their heritage. Items you may bring include but are not limited to: flags, artifacts, pictures, people (grandparents), food, snacks, candy, etc. to represent your country. Our goal is not just to educate on our differences but celebrate them as well. You may also sign up as a group representing the same country

Heritage Day Sign-up

Family Name: _____

Student Name: _____

Country/Countries representing (You may represent up to 2) _____

Email: _____

Special Items needed: (outlet, extension cord, etc.)
