

Your Scrip Earnings Potential Worksheet

Per month I spend:

Woodmans \$_____ @ 5% = _____ rebate earned

Kwik Trip \$_____ @ 4% = _____ rebate earned

Kohls \$_____ @ 4% = _____ rebate earned

Amazon \$_____ @ 2.25% = _____ rebate earned

Culvers \$_____ @ 10% = _____ rebate earned

Target \$_____ @ 2% = _____ rebate earned

Total Purchases \$_____ X 12 months = \$_____

Total Rebate \$_____ X 12 months = \$_____

Now multiply that by 170 families.

For the past two years we have had approximately \$1,075,000.00 in sales and \$50,000 in rebates. Just think if every family used Scrip to the Max!

Scrip is available Monday, Tuesday, Thursday and Friday in the school office. Wednesdays in the Parish Office. We also sell every 3rd weekend after all the Masses and every weekend between Thanksgiving and Christmas! Forgot to buy scrip? Send an email or text the coordinator and they'll make arrangements for you to pick up from their home or even at a St. D sporting event. We want to make Scrip as easy as possible for you!
